Conflict of Interest Disclosure Tips

Accessing Convercent
You will receive an email from "noreply@convercent.com" notifying you that you have one or more items to review and complete in Convercent. When you click the link in the email, you will be routed to the UA login portal where you can login with your myBama username and password.

You may also access Convercent from the employee tab in myBama or directly at Convercent.com. If you use either of these options, simply enter your myBama email address (that's your myBama username followed by @ua.edu) to be re-routed to the UA login portal.

Getting Started
Once you log into Convercent, you will see an assignment similar to the one shown in the screenshot below. You'll need to click Start to continue.

Do NOT use the "My Disclosures" option in the sidebar menu. This causes the system to generate an ad-hoc form that does not satisfy the annual disclosure assignment.

Completing the Disclosures
1. You will be presented with a list of conflict categories. If you have something to disclose, click "Yes, Enter Now" to move into the disclosure form for that topic and enter your information. If you do not have anything to disclose for that category, just check the box for No.

2. Read the question for each category carefully. Click "Yes, Enter Now" if you have something to disclose or check the box for "No" if you have no conflicts in that category.

   **NOTE:** You must provide an answer for each category in the list.

3. If you click "Yes, Enter Now," you will be routed to the disclosure questions for that category. Please answer the questions completely. Providing a full explanation here, prevents the need for further questions later on. If you have a written management plan or supporting documentation that can help clarify the situation, please attach it.
When you are finished, click "Save" at the bottom of the screen to return to the category list.

4. You may enter multiple disclosures for each category. If you need to enter another disclosure, click "Add Another."

Note: Please do NOT enter multiple conflicts within the same disclosure. Each potential conflict must be documented separately.

Finishing Up
The final step is to review the list to ensure that each category either has a check for "No" or "I have nothing else to disclose in the category," and then click "Submit" at the bottom of the form.

Summary
After your disclosure is submitted, you will receive confirmation emails for each category. The information you entered will be reviewed by the appropriate departments. You may be contacted for additional information, if necessary.
